Feed My Starving Children - Chicken...Veggies....Soy.....Rice!

On December 2nd, Parkview students in second through twelfth grade were scooping and packaging food at the Feed My Starving Children warehouse in Aurora, Illinois. These shipments of food were being distributed to children all over the world who are hungry. We were also able to make a donation on behalf of the students at Parkview. At the conclusion of our packing session, we prayed over the boxes of food. We prayed for their safe arrival and for the children who would be receiving this life saving nutrition. We are grateful for this opportunity to serve others and share God's love. "Blessed are those who are generous, because they feed the poor." Proverbs 22:9
