

Hot Lunch

PARKVIEW CHRISTIAN ACADEMY

We are excited to announce that we will be partnering with a company called Ordo for our hot lunch program at all three campuses beginning the 2023-24 school year. You can find information about Ordo, as well as how to order, menus, etc. at ordo.com.

Orders will be placed on Fridays for the following week, and lunches will be delivered directly to each campus, warm and fresh. **Please follow the link and register your student(s). Ordo will be handling all of the ordering and billing.**

Helpful tip: Please register each of your students by searching for the campus your student(s) attend. (E.g. "Lower Campus", "Primary Campus", "Upper Campus")
